1. Trace fish on coffee filter (paper towel works too!)

2. Cut out fish.

3. Color Coffee filter with markers.

4. Spritz with water or flick water on coffee filter with fingers.

5. Let dry!

6. Once dry, glue fish on to blue construction paper or color an ocean scene on printer paper.

7. Cut out sea grasses/sea weed from construction paper or color them.

8. Glue grasses on to blue construction paper.

9. Add googley eye!

10. Add sequins or glitter!
